Subject: FYI: Domke presentation and paper
Attachments: How They Did It- An Analysis of Emission Defeat Devices in Modern Automobiles.pdf

Hi Joel,

FYI: here is the Felix Domke presentation we discussed. It's about an hour long and covers the VW scandal from a procedural, organizational and technical level. Also attached is a paper that covers more of the technical aspects.

https://media.ccc.de/v/32c3-7331-the_exhaust_emissions_scandal_dieselgate

It was great meeting you and many of your colleagues in Ann Arbor!

Jim
